

My Experience in America

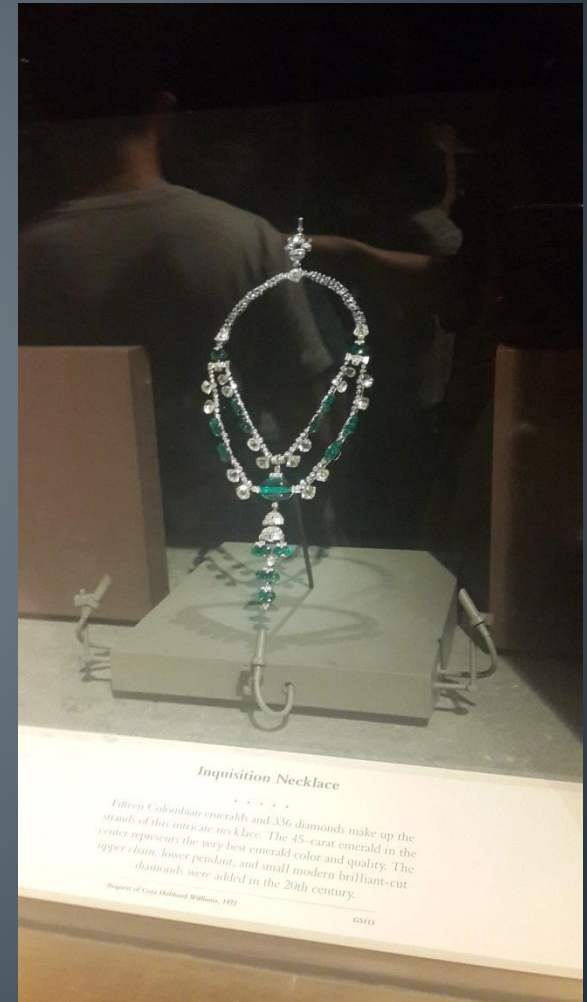

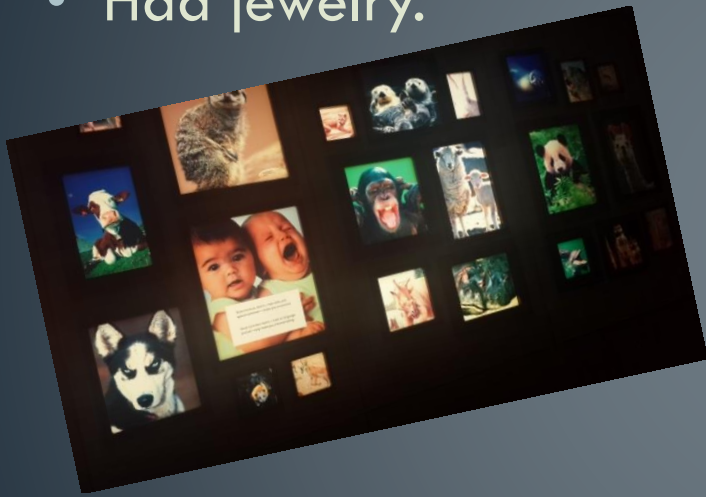

NAME: Lemon

DATE: JULY 30, 2015

National Museum of Natural History museum

- Had die out animals
- Had jewelry.

Inquisition Necklace

Fifteen Colombian emeralds and 336 diamonds make up the strands of this intricate necklace. The 45-carat emerald in the center represents the very best emerald color and quality. The upper chain, lower pendant, and small modern brilliant-cut diamonds were added in the 20th century.

Regina of Castile Isabella of Spain, 1492

6313
