Fayetteville State University offers an educational and cultural exchange through the Summer Institute for International Students. This program will expose international students to English Language and American culture, and a college experience to students aged 18 to 35 under experienced teachers who are native English speakers with teaching experience. This co-educational and residential program will improve language skills and enhance cross cultural awareness.

Fee: \$2,600 per participant

Does not include international airfare or health insurance

Tentative Dates: July 6 to August 1, 2015

Summer English Language Institute
